

Define Church Model: Final Selection

- Focus
- Environment
- Key Result Area
- Measurement

In each of the ministry segments listed above (Worship, Fellowship, etc.), please choose the PRIMARY FOCAL POINTS that describe your vision for what you want your church to be in the next 5 years.

Select as many as apply

Option 1: Life- Long Bible Learning.
We emphasize that Bible learning is critically important in our understanding and relationship with God and is a life long endeavour.

SELECTED

Option 2: Spiritual Growth / Application
We encourage and expect growth that includes the application of Biblical truth that results in a change in thinking and behavior, consistent with Christlikeness.

SELECT

Select if none apply:

None Of The Above
None of the options above are applicable to our church.
