

Define Church Model: Final Report

[Vision](#)[Worship](#)[Fellowship](#)[Discipleship](#)[Outreach](#)[Serving](#)[Conclusion](#)

Focus: Single Site

Our church intends to maximize the use of our campus relocating as necessary if the property becomes too small.

Focus: Regional / City Wide

Our church is interested in drawing people from a broad geographical area in order to impact the lives of thousands of people within driving distance.

Focus: All Inclusive

Our church is multicultural and welcomes people from all cultures and backgrounds.

Measurement: Clear Vision

We have forged clear vision for our church that ripples out from the most dedicated to the edges of our congregation.

Measurement: Stability / Cultural Relevance

We strive to keep in touch with our culture so we don't drift into outdated styles and means. We also respect our roots but avoid adapting to the world around us without compelling reasons.

Measurement: Progress Evaluation

We use the tools of strategic planning to monitor our progress and are willing to change course when required.
