## “5-10-Link” Rule

Project Status: Approved ▼

**Description:** Encourage a select group of leaders to initiate conversation with people they don't know. For 5 minutes before and after the service or meeting, encourage them to take the initiative and talk to people they don't know within a 10-foot radius. Before you leave them, endeavour to link them to someone they don't know. Make it a priority for leaders and encourage the whole congregation to adopt this guide.

**Objective:** By the end of this annual cycle, we will achieve a 5% growth in the average number of people who attend our weekly worship services.
